Review Meeting

The first review meeting of the MAS4AI project will take place online on

14/07/2021

with representatives of all partners discussing the progress achieved within its first 9 months.

News

MAS4AI participated in the first ICT-48 community workshop. The ICT-48 community includes 4 European networks of AI excellence centers that are working on aspects of trustworthy AI funded under the H2020-ICT-48-2020 Call.

First ICT-48 Community Workshop
30 June 2021 | 9 am – 1 pm CEST
[About the Event](#)

MAS4AI Webinars

The first webinar of the MAS4AI project took place online and organized by the university of Silesia.

1/06/2021

Topic:

“EC proposal to regulate AI in the European Union and its impact on Industry 4.0.”

Consortium

This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No 957339.
